

# PLIERS

Pliers are made from Chrome Vanadium / Carbon Steel, drop forged and precision hardened. Having slip resistant broached pivot recess, they fit in snugly in the palm of the user and allow to be executed in confined spaces. These pliers sturdily grip pipes, nuts & bolts with relative ease.

WATER PUMP PLIER - Box Joint, Grove Joint, Slip Joint / Combination Plier / Long Nose Plier / Side Cutting Plier / Side Cutting Plier / Bent Nose Plier / Slip Joint Plier / Locking Plier.
